SOCIETE GENERALE GROUP

We take care of everything for your Fleet

Both the time and the costs for company cars are enormous:

It starts with choosing the right vehicle from a vast selection of brands, models and offers, and continues with the processing of countless documents and organizing all the maintenance and repairs.

You no longer have to worry about any of that.

Simply let us take care of everything for your fleet.

The following pages will provide you with a detailed overview of all the services we offer.

.

Decide for yourself,

what you would like us to take care of!

Operating Leasing

that you can count on

ALD Automotive Operating Leasing provides you with a vehicle for a fixed period of time.

This offers much more than just tax benefits:

- Fixed Rates
- Planning security
- Full deductibility
- Daily billing
- Guaranteed residual value and vehicle recycling
- Increase in cash flow
- No index adjustment

Technical Service

at the service center of your choice

The Technical Service covers all the manufacturer recommended inspections, maintenance work (including the required materials), wear-and-tear repairs and legal required inspections.

Offers only benefits:

- No repair and price risks
- No hidden charges
- Well serviced vehicles
- All work performed by authorized service centers

Tyre Service

perfect all-round

Our Tyre Service covers summer and winter tyres as well as rims and all extra costs depending on the wear and expected life of the tyres. Our network of tyre partners throughout Switzerland is ready to assist you.

So things always run smoothly for you:

- Individual service packages (limited/unlimited, steel/aluminum rims)
- Exclusively premium tyres
- Supply of summer and winter tyres and rims
- Tyre-related services (balancing, rotating, mounting, wheel wash, storage and disposal)
- Delivery of winter tyres during the period winter tyres are legally required
- Including tyre pressure monitoring system (TPMS) sensors and service kit

Fuel Card Service

without the need for cash

Fuel cards from the largest filling station companies keep you on the go without the need for cash. You simply pay a fixed fee at the beginning of the month based on the average fuel consumption figures of the manufacturer and your calculated mileage. The difference between the actual costs is then applied to the following month. Upon request, the fuel card can also be used to pay for car washes, liquids and road tolls.

The advantages of a fuel card:

- Flexibility
- Less administrative work
- Standardized billing
- Comprehensive reporting
-
