Manji popravci i kupnja manjih rezervnih dijelova u razdoblju između propisanih servisnih intervala proizvođača, kao što su primjera radi metlice brisača, mogu se obaviti, ali se dijelovi moraju naručiti u servisu ovlaštenom od strane Davatelja leasinga.

6.14. Primatelj leasinga može izvršiti bilo koje hitne popravke kvarova ili promjene dijelova, kao i manje popravke uzrokovane redovnim korištenjem vozila, samo u ovlaštenim servisima odobrenim od strane Davatelja leasinga i uz korištenje originalnih rezervnih dijelova. Primatelj leasinga će bez odgode, a najkasnije u roku od 15 dana obavijestiti Davatelja leasinga o bilo kojim popravcima i promjenama dijelova, a u suprotnom će biti odgovoran Davatelju leasinga za svu nastalu štetu.

6.16. Primatelj leasinga može izvršiti promjene na vozilu samo uz prethodno pisano ovlaštenje Davatelja leasinga. 7.1. Primatelj leasinga će ispunjavati sve propisane obveze u pogledu korištenja i posjedovanja vozila. Ukoliko određena obveza po pozitivnim propisu kao posjednika utvrđuje vlasnika i/ili posjednika, smatra se da je po ovom Ugovoru o operativnom leasingu za svrhe tih propisa obveznik Primatelj leasinga kao posjednik. 8.7. Primatelj leasinga će u svako doba omogućiti Davatelju leasinga pregled vozila. Ukoliko bi Davatelj leasinga tijekom pregleda utvrdio da je Primatelj leasinga povrijedio odredbe Ugovora o operativnom leasingu, Primatelj leasinga izričito pristaje da Davatelj leasinga može oduzeti vozilo. U tom slučaju, Primatelj leasinga se izričito odriče prava na posjedovnu zaštitu, a Davatelj leasinga može prijevremeno otkazati Ugovor o leasingu uz obračun u skladu sa člankom 23. ovih Općih uvjeta.

8.8. Primatelj leasinga snosi svu građansko-pravnu, kazneno-pravnu ili prekršajno-pravnu odgovornost koja proizlazi iz posjedovanja vozila te je odgovoran za naknadu svake štete počinjene vozilom, uključujući i naknadu štete koja nije pokrivena osiguranjem vozila i osoba.

9.3. The Lessee agrees to the non-binding recommendation by the Lessor to select a first-rate insurance company when fulfilling his obligation for concluding compulsory motor third party liability insurance along with the supplementary driver and passenger accident insurance as well as his obligation to conclude comprehensive vehicle insurance.

9.4. The Lessee undertakes to deliver to the Lessor the originals of all insurance policies along with the insurance terms and conditions within 3 days from the conclusion thereof, at any rate before taking over the vehicle.

9.5. Based on the vehicle the Lessee is using and through which usage the damage was caused to the other vehicle as well as based on other related material damage, the Lessee undertakes to compensate the Lessor for any damage thus incurred. In case of any injuries inflicted on persons, the Lessee undertakes to compensate the injured party directly for any thus caused amount of indemnity either related to non-property or to related property, or to compensate any amount paid to the injured party by the Lessor directly.

9.8. The Lessee undertakes to pay to the Lessee any amount of participation in the damage (franchise). The Lessee undertakes to pay a one-year insurance premium at the moment of the occurrence of a harmful event in cases when the Contract on operative leasing expires before the one-year insurance.

9.9. U slučaju gubitaka po osnovi osiguranja, dodatno proizašle troškove po osnovi osiguranja (malus) snosit će Primatelj leasinga, kroz povećanje mjesečne leasing najamnine/obroka.

9.10. Ukoliko nije drugačije ugovoreno Primatelj leasinga mora izvršiti potrebne popravke bez odgode, osim u slučaju da se, zbog težine ili opsega štete, pretpostavlja totalna šteta temeljem procjene osiguravajućeg društva. Popravci se moraju obaviti isključivo kod ovlaštenog servisa odobrenog od strane Davatelja leasinga.

9.11. Davatelj leasinga mora u svakom slučaju biti obaviješten o bilo kojim naknadama plaćenim iz osiguranja na ime smanjenja vrijednosti vozila. 9.12. Ukoliko je Primatelj leasinga odgovoran za nezgodu i vozilo je oštećeno, Davatelj leasinga ima pravo zahtijevati od Primatelja leasinga nadoknadu štete ukoliko ista nije pokrivena od strane osiguravajućeg društva. Ovaj zahtjev za naknadu štete dopijeva prestankom Ugovora o operativnom leasingu.

9.13. U slučaju totalne štete ili krađe vozila, Ugovor o operativnom leasingu će se raskinuti s posljednjim danom mjeseca u kojem je nastala totalna šteta ili krađa, uz naknadnu obavijest Primatelju leasinga o nastalom raskidu.

9.14. Ukoliko troškovi popravaka štete budu veći od 80 (osamdeset) % vrijednosti vozila na dan nastanka štetnog događaja, Davatelj leasinga može raskinuti Ugovor o operativnom leasingu na kraju ugovornog mjeseca, posebice unutar 3 (tri) tjedna nakon što je utvrđen prethodno navedeni iznos troškova popravka. Ukoliko Davatelj leasinga ne iskoristi ovo pravo, Primatelj leasinga mora bez odgode, u svoje ime i za svoj račun, popraviti vozilo u ovlaštenom servisu odobrenom od strane Davatelja leasinga, sukladno odredbama ovih Općih uvjeta o popravcima vozila.

9.16. Krađa ili totalna šteta na vozilu predstavlja oslobođenje od obveze bilo kojih daljnjih plaćanja mjesečnih obroka/najamnina samo ukoliko je ugovor valjano raskinut i nije više na snazi. Ova odredba o oslobođenju plaćanja ne odnosi se na iznose dospjele prije krađe vozila ili nastupa totalne štete.

9.17. Svaki propust Primatelja leasinga na ispunjavanje bilo koje Ugovorom o operativnom leasingu preuzete ili ovim Općim uvjetima definirane obveze u smislu osiguranja vozila, kao što su primjera radi i bez ograničavanja na propust zaključenja dužnog osiguranja, nevaljanost zaključenog osiguranja, manji opseg ugovorenih rizika, stvara obvezu plaćanja bilo kojeg iznosa ili bilo koje štete koja je prouzročena takvim propustom Primatelja leasinga.

U postupcima stečaja i likvidacije Davatelj leasinga ima pravo ostvariti izlučni zahtjev u odnosu na vozilo bez prigovora Primatelja leasinga.

10.4. Davatelj leasinga može otkazati Ugovor o operativnom leasingu zbog mjera poduzetih od strane tijela vlasti koje onemogućuju ili bitno otežavaju ispunjavanje ugovornih obveza Primatelja leasinga (raskid zbog bitno promijenjenih okolnosti), s kojim je Primatelj leasinga suglasan, te također zbog izvanrednih događaja kao što su politički nemiri, dugotrajni štrajkovi, prirodne nepogode ili ratni uvjeti i bilo koji slični događaji.

10.5. Bilo koja šteta na mjeracu kilometara mora se pisanim putem prijaviti Davatelju leasinga bez odgode i mora se bez odgode ukloniti. Primatelj leasinga mora poslati Davatelju leasinga presliku računa za popravke uz bilješku o stanju kilometara prije popravka kao dokaz uklanjanja.

9.13. In case of the total loss or vehicle theft, the Contract on operative leasing shall be terminated on the last day of the month in which the total loss or theft occurred, with a subsequent notification of termination to the Lessee.

This provision on payment exemption does not relate to the amounts matured before vehicle theft or total loss.

9.17. Any Lessee's failure to comply with any obligation undertaken under the Contract on operative leasing or these General terms in terms of vehicle insurance such as, for example and without limitation to, failure to conclude the compulsory insurance policies, invalid insurance policies, lower scope of contracted risks, creates a payment obligation for any amount or any damage caused by such a failure on the part of the Lessee.

11.3. Mjesečni obrok/najamnina je naknada za davanje vozila na korištenje i navedena je u Ugovoru o operativnom leasingu. Iznos mjesečnog obroka/najamnina utvrđuje se na temelju cijene vozila, trajanja ugovora, kilometraže te obveze plaćanja poreza i drugih javnih davanja.

11.4. Izračun mjesečnog obroka/najamnina ovisi dijelom o kilometraži koju kroz vrijeme trajanja leasinga Primatelj leasinga namjerava prijeći vozilom, a koju Primatelj leasinga priopćava Davatelju leasinga pri izradi ponude za financiranje putem leasinga. Ukoliko Primatelj leasinga prema režimu korištenja vozila nakon zaključenja Ugovora o operativnom leasingu utvrdi da će prijeći ili da neće dostići ugovorenu kilometražu u mjeri većoj od 10 (deset) %, Primatelj leasinga mora o tome bez odgode obavijestiti Davatelja leasinga.

11.9. Dogovorene dodatne usluge, kao što je transport, registracija i odjava vozila i troškovi osiguranja i poreza, plaćat će se posebno i dospijevat će odmah nakon izdavanja računa, osim ukoliko nisu izričito navedeni kao sastavni dio ukupnog mjesečnog obroka/najamnina. Isto se primjenjuje na dogovorene predujmove (akontacije) u trenutku početka razdoblja leasinga ili Ugovora o operativnom leasingu.

11.10. Prethodna odredba se primjenjuje i prilikom isteka Ugovora o operativnom leasingu u posljednjem mjesecu važenja Ugovora o operativnom leasingu. Davatelj leasinga izdat će Primatelju leasinga odgovarajuću knjigovodstvenu obavijest o odobrenju za neiskorištene kalendarske dane odnosno mjeseca važenja Ugovora o operativnom leasingu.

11.1. The monthly instalment/rent which the Lessee undertakes to pay to the Lessor is stated in the Contract on operative leasing. Should the tax amounts be changed between the moment of the acceptance of the Lessor's offer regarding the lease financing and the vehicle delivery or should some new taxes or tax rates or obligations for payment of any other dues, when cost of technical inspection, registration and road fee are amended, which are included in the calculation of the monthly instalment/rent be introduced, the Lessor is entitled to unilaterally make corresponding adjustments to the monthly rent amount for the amount of thus introduced taxes and public dues starting from the effect of such amendment.

11.2. The Lessor can unilaterally change the stipulated monthly instalment/rent which is stated in the Contract on operative leasing in case of change of the vehicle price between order and vehicle delivery.

11.3. The monthly instalment/rent is a fee for making a vehicle available for use and it is defined in the Contract on operative leasing. The monthly instalment/rent amount is determined based on the vehicle price, contract duration, mileage and the obligation for payment of taxes and other public dues.

11.4. Calculation of the monthly instalment/rent depends partially on the mileage which the Lessee intends to cover by the vehicle during the lease term, and which the Lessee communicates to the Lessor upon the compilation of the lease financing offer. Should the Lessee according to the frequency of the vehicle use after the conclusion of the Contract on operative leasing realise that he will exceed or that he will not reach the stipulated mileage by more than 10%, the Lessee must notify the Lessor thereof without delay.

11.8. The monthly instalment/rent can be changed based on the changed volume of the additional services related the main legal transaction of the operative leasing.

11.9. The agreed additional services such as transport, vehicle registration and deregistration as well as insurance and tax costs shall be paid separately and they shall mature immediately upon invoice issuance, except when they are explicitly defined as an integral part of the monthly instalment/rent. The same applies to the agreed advance payments at the moment of the beginning of the lease term or of the Contract on operative leasing.

11.10. The Lessee must meet the obligation of payment of the stipulated monthly instalments/rents on the day of maturity of each monthly instalment/rent to the Lessor's business account indicated in the Contract on operative leasing, in the Lessor's subsequent compiled written notification or on the account. The monthly instalment/rent is paid in advance so that it matures on the payment due date as prescribed by the Contract on operative leasing for the current month.

11.11. Prior to the conclusion of the Contract on operative leasing, the Lessee undertakes to deliver and ensure to the Lessor all instruments for securing the payment of lease costs as requested by the Lessor (promissory notes, bills of exchange, guarantors, co-debtors and similar) and he undertakes to maintain validity of the delivered payment security instruments up to the full amount of required security during the entire term of the Contract on operative leasing. Furthermore, the Lessee undertakes to deliver to the Lessor all additional payment security instruments as requested by the Lessor within 7 (seven) days from the receipt of his request.

11.12. Should the term of the Contract on operative leasing not begin on the first day of the month, the first rent is paid in proportion to the number of calendar days starting from the beginning of the term of the Contract on operative leasing until the last day of the respective month. The previous provision applies also upon expiry of the Contract on operative leasing in the last month of the term of the Contract on operative leasing. The Lessor shall issue to the Lessee a corresponding accounting credit note for the unused calendar days i.e. months of the term of the Contract on operative leasing.

11.13. Amounts for Financial services as well as amounts for Maintenance services from Contract on operative leasing shall be stated in EUR as an obligation currency.

audiovizualnog programa ugrađenog u vozilu na ime/tvrtku Primatelja leasinga, kao i svaku promjenu prijavljene adrese, mjesta stanovanja ili sjedišta. Ukoliko nije drugačije ugovoreno, Primatelj leasinga je kao posjednik obavezan Hrvatskoj radioteleviziji plaćati mjesečnu pristojbu sukladno odredbama mjerodavnog Zakona o hrvatskoj radioteleviziji. U slučaju propusta Primatelja leasinga da postupa po obvezama iz ove odredbe i Zakona o hrvatskoj radioteleviziji te zbog takvog propusta nastane obveza na strani Davatelja leasinga, Davatelj leasinga teretiti Primatelja leasinga za svaki tako prouzročeni trošak, novčanu kaznu ili štetu.

11.16. U slučaju ranijeg plaćanja obroka/najamnine ili bilo koje druge novčane obveze na koju je Primatelj leasinga obavezan po Ugovoru o operativnom leasingu, Davatelj leasinga ima pravo naplatiti od Primatelja leasinga razliku između tečajja na dan izdavanja računa i tečajja na dan učinjenog plaćanja po izboru Davatelja leasinga. Davatelj leasinga nije obavezan naknaditi ili revalorizirati bilo koja ranija plaćanja plaćena od strane Primatelja leasinga ili osobe koju je on ovlastio ako su učinjena prije dospjeća obroka/najamnine ili bilo kojih drugih novčanih obveza. Davatelj leasinga uzet će u obzir bilo koje ranije plaćanje kao i bilo koje više plaćene iznose te će ih zaračunati do dospjeća obroka/najamnine ili bilo koje druge novčane obveze, posebno korištenjem valute ili bilo kojeg drugog dogovorenog oblika prilagodbe vrijednosti obveze na datum dospjeća obveze.

11.17. Odgovarajući iznos poreza na dodanu vrijednost kao i bilo kojeg drugog propisanog javnog davanja za koje postoji obveza na plaćanje u skladu s propisima koji su na snazi u vremenu nakon potpisivanja Ugovora o operativnom leasingu, bit će uključeni u obvezu na dužna plaćanja. U slučaju da nakon potpisivanja Ugovora o operativnom leasingu dođe do promjene postojećih i/ili uvođenja novih poreza i/ili poreznih stopa ili obveze za plaćanje bilo kojih drugih javnih davanja, kada se promijene troškovi tehničkog pregleda, registracije i cestarine, Davatelj leasinga ima pravo izmijeniti iznos mjesečnog obroka/najamnine navedene u Ugovoru o operativnom leasingu od nastupa pravnog učinka takve promjene.

11.18. Ukoliko obveza plaćanja mjesečnog obroka/najamnine i/ili bilo koje druge novčane obveze Primatelja leasinga nije u potpunosti ispunjena Davatelju leasinga do ugovorenog datuma dospjeća, ili ukoliko terećenje izdano od Davatelja leasinga tereti Primatelja leasinga, ili ukoliko terećenje izdano od Davatelja leasinga bude otkazano, smatrat će se da je Primatelj leasinga u zakašnjenju s plaćanjem. U takvom slučaju Davatelj leasinga ima pravo zaračunati zakonske zatezne kamate za vrijeme trajanja zakašnjenja. Davatelj leasinga ima pravo i na naknadu većeg iznosa štete nastale zbog zakašnjenja Primatelja leasinga, posebice troškova nastalih zbog postupaka prisilne naplate tražbine. U slučaju otkazivanja terećenja (odobrenja), Primatelj leasinga se bez odgode obvezuje učiniti Davatelju leasinga izjavu na knjigovodstveno podoban način za evidentiranje suglasnosti Primatelja leasinga s otkazivanjem terećenja u poslovnim knjigama Davatelja leasinga. Smatrat će se da propust Primatelja leasinga na dostavu takve izjave znači suglasnost s predmetnim otkazivanjem.

11.19. Kad Primatelj leasinga ima prema Davatelju leasinga više dospjelih novčanih obveza pa ono što Primatelj leasinga ispunio nije dovoljno da bi se mogle namiriti sve, Ugovorne strane su suglasne da se uračunavanje ispunjenog obavlja onim redom koji odredi Davatelj leasinga.

11.20. Davatelj leasinga ima pravo naplatiti sve troškove za naplatu neplaćenih novčanih obveza Primatelja leasinga, troškove oduzimanja iznajmljenog vozila i ostvariti ispunjenje bilo kojih drugih obveza Primatelja leasinga u skladu s Ugovorom o operativnom leasingu, a to u skladu s važećim cjenikom Davatelja leasinga ili cijenom usluge treće osobe.

11.21. U slučaju zakašnjenja u plaćanju bilo koje obveze, Davatelj leasinga ima pravo naplatiti Primatelju leasinga zakonsku zateznu kamatu na dužni iznos obračunatu od dospjeća pa do ispunjenja obveze.

11.22. Primatelj leasinga obvezuje se platiti odgovarajući trošak učinjene opomene Davatelja leasinga u iznosu utvrđenom odgovarajućim internim aktom Davatelja Leasinga, uvećanom za pripadajući porez na dodanu vrijednost.

11.23. Primatelj leasinga prihvaća platiti Davatelju leasinga naknadu utvrđenu odgovarajućim internim aktom Davatelja leasinga za sve usluge koje prate izvorni pravni posao operativnom leasingu, a nisu u njemu uključene, ali su nužne za upravljanje poslovnim odnosom između Davatelja i Primatelja leasinga, kao što su primjera radi i bez ograničavanja na naknade za činjenje obavijesti, naknade za prefakturiranje troškova koje je prouzročio Primatelj leasinga i slično.

12. Jamčevina i akontacija

Should the Lessor fail to act pursuant to the obligations from this provision and the Croatian Radiotelevision Act and should due to such a failure the Lessor incur an obligation, the Lessor shall debit the Lessee for any thus incurred cost, fine or damage.

11.16. In case of an earlier payment of the instalment/rent or any other pecuniary obligation which Lessee has undertaken pursuant to the Contract on operative leasing, the Lessor is entitled to charge the Lessee for the difference between the exchange rate on the day of invoice issuance and the exchange rate on the day when the payment is made, whichever the Lessor prefers. The Lessor is not obliged to compensate for or revalue any of the earlier payments effected by the Lessee or a person authorised by him if such payments were effected prior to maturity of the instalment/rent or any other pecuniary obligations. The Lessor shall take into consideration any earlier payment as well as any other surplus payments and he shall account for them until maturity of the instalment/rent or any other pecuniary obligation, especially by applying currency or any other agreed form of the value adjustment of the obligation on the day of maturity of the obligation.

11.17. The appropriate amount of the value added tax as well as any other prescribed public due which should be paid pursuant to the valid legal regulations valid after signing of the Contract on operative leasing shall be included in the due payments obligation. C. Cijena dodatne usluge

13.6. Ukoliko se Ugovorne strane dogovore o servisiranju vozila, Primatelj leasinga će platiti cijenu koja je uključena u mjesečni obrok/najamninu. Ukoliko je cijena uključena u mjesečni obrok/najamninu, iznos će ovisiti o trajanju ugovora o operativnom leasingu i ukupnoj kilometraži.

13.7. Osnova za cijenu servisa vozila bit će ukupna kilometraža navedena od strane Primatelja leasinga za vrijeme upravljanja u pogledu Ugovora o operativnom leasingu. Cijena se u pravilu neće mijenjati za vrijeme upravljanja. Ukoliko Primatelj leasinga utvrdi da će prijeći ili da neće dostići utvrđenu ukupnu kilometražu za više od 10 (deset) %, Primatelj leasinga mora o tome bez odgode obavijestiti Davatelja leasinga. Davatelj leasinga može sačiniti novi izračun u skladu s promijenjenim uvjetima i u skladu s time prilagoditi cijenu servisa vozila.

D. Naplaćivanje dodatnih usluga

13.8. Usluge servisiranja naplaćuju se na isti način kao mjesečni obrok/najamnina iz članka 11.1.

13.9. Bilo koja dodatna/nedostajuća kilometraža naplaćuje se nakon redovnog prestanka Ugovora o operativnom leasingu, kako slijedi: ukoliko Primatelj leasinga vrati vozilo u skladu s Ugovorom o operativnom leasingu na kraju ugovorenog razdoblja ugovora o leasingu i ukoliko je stvarna kilometraža različita od one utvrđene u pogledu Ugovora o operativnom leasingu, Davatelj leasinga će naplatiti dodatnu kilometražu Primatelju leasinga po stopi terećenja navedenoj u Ugovoru o operativnom leasingu i zamijeniti neiskorišteni kilometražu po stopi povrata, navedenoj u Ugovoru o operativnom leasingu. Prekoračenje ili neiskorištenje dogovorene kilometraže do 2,500 km ne uzima se u obzir ni u kojem slučaju. Maksimalni obračun za manje prijeđene kilometre obračunava se do 10,000 km uzimajući u obzir ugovoreno odstupanje.

E. Naknada mjesečnih obroka/najamnina za vrijeme popravka

13.10. Mjesečni obroci/najamnina plaćaju se u punom iznosu za vrijeme servisnih i limarijskih popravaka.

13.11. U slučaju ranijeg prestanka Ugovora o operativnom leasingu ili nakon redovnog prestanka Ugovora o operativnom leasingu, izračun bilo koje dodatne/nedostajuće kilometraže izvršit će se tako da Davatelj leasinga prvo utvrdi mjesečnu kilometražu izračunavajući je tako da kilometre navedene u Ugovoru o operativnom leasingu podijeli s ugovorno predviđenim mjesecima korištenja. Tada će Davatelj leasinga pomnožiti "mjesečne kilometre utvrđene izračunom" s brojem stvarnih mjeseci korištenja i dobiti kilometražu koja će biti odlučujuća za raniji izračun kilometara (kilometara utvrđenih izračunom). Za bilo koje dodatne ili nedostajuće kilometre – rezultata između kilometara utvrđenih izračunom i stvarno korištenih kilometara - primjenjuju se načela izračuna u skladu s člankom 13.10.

14. Dodatne usluge – Pneumatici (s uključenom uslugom skladištenja i zamjene)

Dimenzija i kategorija guma bit će definirani i sastavni dio pojedinačnog ugovora o operativnom leasingu, Davatelj leasinga samostalno će odrediti proizvođača guma unutar definirane kategorije guma navedene u pojedinačnom ugovoru o operativnom leasingu,

- sezonske montaže i demontaže te balansiranja guma ovisno o broju uključenih guma u pojedinačnom ugovoru o operativnom leasingu,

- sezonsko skladištenje ljetnih i zimskih guma kod ugovornog dobavljača po odabiru Davatelja leasinga

14.2. Ukoliko se dimenzija, broj ili kategorija guma (bilo zimskih ili ljetnih) promjeni za vrijeme trajanja Ugovora o operativnom leasingu prema želji Primatelja leasinga, Davatelj leasinga ima pravo zaračunati Primatelju leasinga sve dodatne troškove po toj osnovi.

B. Servisne isprave

14.3. Primatelj leasinga je dostupan informacijski spis Davatelja leasinga i obrazac "Narudžba guma" Davatelja leasinga (servisne isprave). Promjena guma mora biti izvršena kod ugovornog dobavljača

issued for the Lessor's account as service user only in the case when the Lessee performed repairs in a car service centre authorised by the manufacturer who is a Lessor's contractual partner. If the Lessee incurred the mentioned costs abroad, he shall be reimbursed only up to the amount charged by the Lessor's Croatian contractually designated workshop for the services which the Lessee used abroad. Towing costs incurred abroad shall by no means be reimbursed.

13.5. The Lessee answers to the Lessor for the damage caused by the illegal use of service documents.

C. Price of additional services

13.6. If the Contracting Parties reach an agreement with regard to vehicle servicing, the Lessee shall pay the entire price which is included in the monthly instalment/rent. If the price is included in the monthly instalment/rent, the amount shall depend on the term of the Contract on operative leasing and on the total mileage.

13.7. The basis for the calculation of the vehicle service shall be the total mileage value stated by the Lessee during the running time in terms of the Contract on operative leasing. The price shall as a rule be no subject to adjustments during the running time. Should the Lessee realise that he will exceed or that he will fail to reach the defined mileage by more than 10 (ten) percent, the Lessee must notify the Lessor thereof without delay. The Lessor can make a new calculation according to the changed circumstances and thus adjust the price of the vehicle service.

D Charging additional services

13.8. Vehicle servicing shall be charged in the same way as the monthly instalment/rent from Article 11.1.

13.9. Any additional/missing mileage shall be charged after the regular expiry of the Contract on operative leasing, as follows: if the Lessee returns the vehicle according to the Contract on operative leasing at the end of the contractual lease term and if the real mileage differs from the mileage defined in the Contract on operative leasing, the Lessor shall charge the Lessee for the additional mileage according to the charge rate as stated in the Contract on operative leasing and substitute non-used mileage according to the return rate as stated in the Contract on operative leasing. Exceeding or failure to reach the agreed mileage limit of 2,500 km is in no case considered. The maximum calculation of the covered under-mileage is calculated up to 10,000 km taking into consideration the agreed deviation

E. Compensation of monthly instalments/rents during repairs

13.10. Monthly instalments/rents are to be paid in full amount during service and body repair works

13.11. In case of premature termination of the Contract on operative leasing or after the regular expiry of the Contract on operative leasing, the calculation of any additional/missing mileage shall be performed in such a manner as to have the monthly mileage determined by the Lessor first by dividing the kilometres as stated in the Contract on operative leasing by the contractually foreseen months of use. The Lessor shall multiply the "monthly kilometres determined by the calculation" with the number of months of actual use and this shall yield the mileage which shall be decisive for the previous calculation of kilometres (kilometres determined through the calculation). The calculation principle pursuant to Article 13.10 applies to any additional or missing kilometres - the result between the kilometres determined through the calculation and the actually covered kilometres.

14. Additional services - pneumatics (with included service of storage and replacement)

The Contracting Parties can also agree on the tyre servicing within the scope of the operative leasing services.

Ukoliko trošak rezervnih dijelova i popravka vozila prelazi 150,00 €, potrebno je zatražiti prethodno odobrenje Davatelja leasinga za provedbu popravka, jer u protivnom trošak popravka neće biti plaćen. 19.2.2.5. 20. Izmjena ugovora

20.1. Ugovor o operativnom leasingu se može izmijeniti sporazumno na traženje Primatelja leasinga ili jednostrano od strane Davatelja leasinga prema pravilima definiranim u ovim Općim uvjetima.

20.2. Svaka izmjena Ugovora o operativnom leasingu vrši se uzimajući u obzir sve sastojke posla operativnog leasinga, a osobito vrijednost objekta leasinga, ukupni iznos naknada, iznos, broj i rokove plaćanja pojedinih obroka, kalkuliranu kilometražu, ostatak vrijednosti objekta leasinga te vrijeme trajanja ugovora, a to prema njihovim vrijednostima u trenutku vršenja izmjene.

20.3. Izmijenjeni Ugovor o operativnom leasingu se primjenjuje od prvog dana mjeseca koji dolazi iza mjeseca u kojemu se izmjena vrši. U slučaju takve jednostrane izmjene Primatelj leasinga se obvezuje potpisati ispravu o izmjeni Ugovora. Propust Primatelja leasinga na pristupanje potpisu isprave o izmjeni Ugovora bitna je povreda Ugovora te je temelj Davatelju leasinga za činjenje izjave o raskidu ugovora bez otkaznog roka i bez ostavljanja Primatelju leasinga naknadnog primjerenog roka za pristupanje potpisivanju isprave o izmjeni ugovora.

20.5. Prva učinjena izmjena ugovora prema pravilima definiranim ovim Općim uvjetima vrši se bez obračuna naknade administrativnih troškova odnosno izmjene. Bilo koja naknadna izmjena ugovora o operativnom leasingu može se naplatiti u iznosu definiranom u odgovarajućem aktu Davatelja leasinga koji definira obračun i plaćanje naknada Davatelju leasinga.

21.2. Izjava o otkazu se čini u skladu s pravilima o razmjeni obavijesti temeljem ovih Općih uvjeta. Izjava o otkazu proizvodi pravni učinak po isteku otkaznog roka u trajanju od 30 (slovinom trideset) dana računajući od dana u koji je uručena Davatelju leasinga, s tim da temeljem nje Ugovor o operativnom leasingu prestaje zaključno s istekom posljednjeg dana mjeseca u kojemu istječe otkazni rok.

Positive difference in the value of such constituent parts of an operative leasing transaction throughout entire period from the contract activation up to application of contract modification the Lessor will credit to Lessee according to valid credit note.

21.2. Cancellation statement is to be made in line with the rules on exchange of notifications of this General terms. Statement on cancellation creates legal effect after expiration of notice period lasting thirty (30) days calculating from the day in which it is received by the Lessor, while Contract on operative leasing ends upon such statement with the expiration of the last day of the month in which notice period expires.

21.3. The Lessor has the right to cancel the Contract on operative leasing at any time and upon his discretionary decision, especially in each

Svaka će strana svoje obveze iz ovih klauzula izvršavati u vlastitom trošku.

25.1. Za potrebe ovog Ugovora, pojmovi napisani velikim početnim slovom imaju značenje koje im je pripisano u GDPR-u.

25.2. U mjeri u kojoj izvršenje ovog Ugovora uključuje obradu Osobnih podataka, Primatelj leasinga i Davatelj leasinga suglasni su da će poštivati Zakone o zaštiti podataka.
